

Aggrandize - A generous grant, enabled the library to significantly aggrandize its collection of books on tape.

Pejorative - While the detective was supposed to be neutral, he described the suspect in a pejorative manner.

Mendacious - What we see, hear, smell, and touch is not necessarily mendacious; it's the conclusions we draw from those observations that may be inaccurate.

Solipsism - Dressing for me has often been a mixture of safe and pleasurable solipsism, alongside a process of curating something interesting.
